

CROSS-BORDER

# Customs Broker Service

## One carrier. One invoice. One contact.

XPO's Customs Broker service\* simplifies your cross-border experience.

### Our benefits

- Provides cost savings
- Faster customs clearance of your shipments
- Assistance with documents and certifications
- Single invoice with itemized charges
- Fewer in-bond shipments and storage charges
- One point of contact for fast and accurate results
- 24/7 shipment monitoring

### How it works

#### Starting Point

Call the Customs Resource Center (CRC) or e-mail [LTLCustomsResourceCenter@xpo.com](mailto:LTLCustomsResourceCenter@xpo.com) to get set up.

#### Schedule a Pickup

Schedule a pickup online or contact your local service center. Write "XPO CB" on the Bill of Lading to request Customs Broker Service

#### Customs Support

XPO handles transportation, assists with customs clearance and provides a single invoice.

**Streamline your cross-border shipping between the U.S. and Canada today.**

(\*)Customs Broker Services are provided by a licensed third party customs broker
