# Delivery Appointments and Notifications

## Streamline your shipping experience

Simplify and manage the delivery process by using an appointment or delivery notification. Both help you and the consignee plan around the delivery, reducing the potential for delivery delays.

### Choose the option that best meets your requirements:

	Appointment	Delivery Notification
Set a delivery window	Yes	No
Same-day delivery notification	No	Yes
More than 24 hours' notice of delivery	Yes	No

### Call to schedule an appointment

To request an appointment:

Simply Write *'Appointment needed'* on your BOL

To request delivery notification:

Simply Write *'Call before delivery'* on your BOL

## Meet delivery requirements

Choose our Appointment or Delivery Notification service to meet the delivery requirements of your shippers and consignees. With over 35 years of experience and the largest single LTL network in North America, we offer high quality service performance for all your shipments.
