

PREMIUM SERVICE

Exclusive Use of a Trailer

Get a private trailer and
secured capacity.

Offering peace of mind and security
for your high-value freight.

Dedicated shipping capacity

Some freight needs its own space when shipping and extra security. We have the solution for your high-value freight.

We make it easy

Upon arrival, you are given a special security tag to place on the trailer door. The tag can only be removed by the consignee. Consignee additionally verifies the secured shipment was received on the delivery receipt.

Book your shipment today:

Contact your Account Executive to receive a quote and determine eligibility.

Consider asking about the guaranteed options with Exclusive Use.

Choose Exclusive Use to get a private trailer for your freight

- Exclusive use of a 28 foot trailer
- Secure protection of your freight
- Eliminates handling & commingling of freight during shipping

Leveraging the largest single LTL network in North America and 35 years of experience to provide reliable, on-time, exception-free pickup and delivery. Freezable Protection Service is offered October 1 through April 30.
