

PREMIUM SERVICE

Protect Freight When Cold Weather Strikes

Get Freeze Protection Service

Offering you peace-of-mind for
your freezable products.

Priority Handling

Get priority handling and monitoring of your shipments. We'll use warming rooms, when available, to protect temperature-sensitive freight from freezing temperatures. This service is available for pickups made Monday-Thursday with a delivery on Tuesday-Friday of that week.

Easy Pricing

Simple charge per cwt, subject to a minimum charge.

Book your shipment today:

Write "Protect from freezing at 32 degrees F or below" on the BOL

OR Label your shipment "freezable product"

OR Schedule a pickup and be sure to select "freezable product"

**Choose Freezable
Protection Service
to protect the integrity
of your freight**

With over 40 years of experience and the largest single LTL network in North America, we offer exceptional service performance to give you the confidence you need for your cold-sensitive shipments. Freezable Protection Service is offered October 1 through April 30.

* Some exclusions may apply. Please see Item 12 of the CNWY-199 tariff for complete details.
