

OUR MULTIMODAL SOLUTION WITH RIVER DELIVERY IN PARIS

XPOLogistics

Transport plan - River transport

Key stages

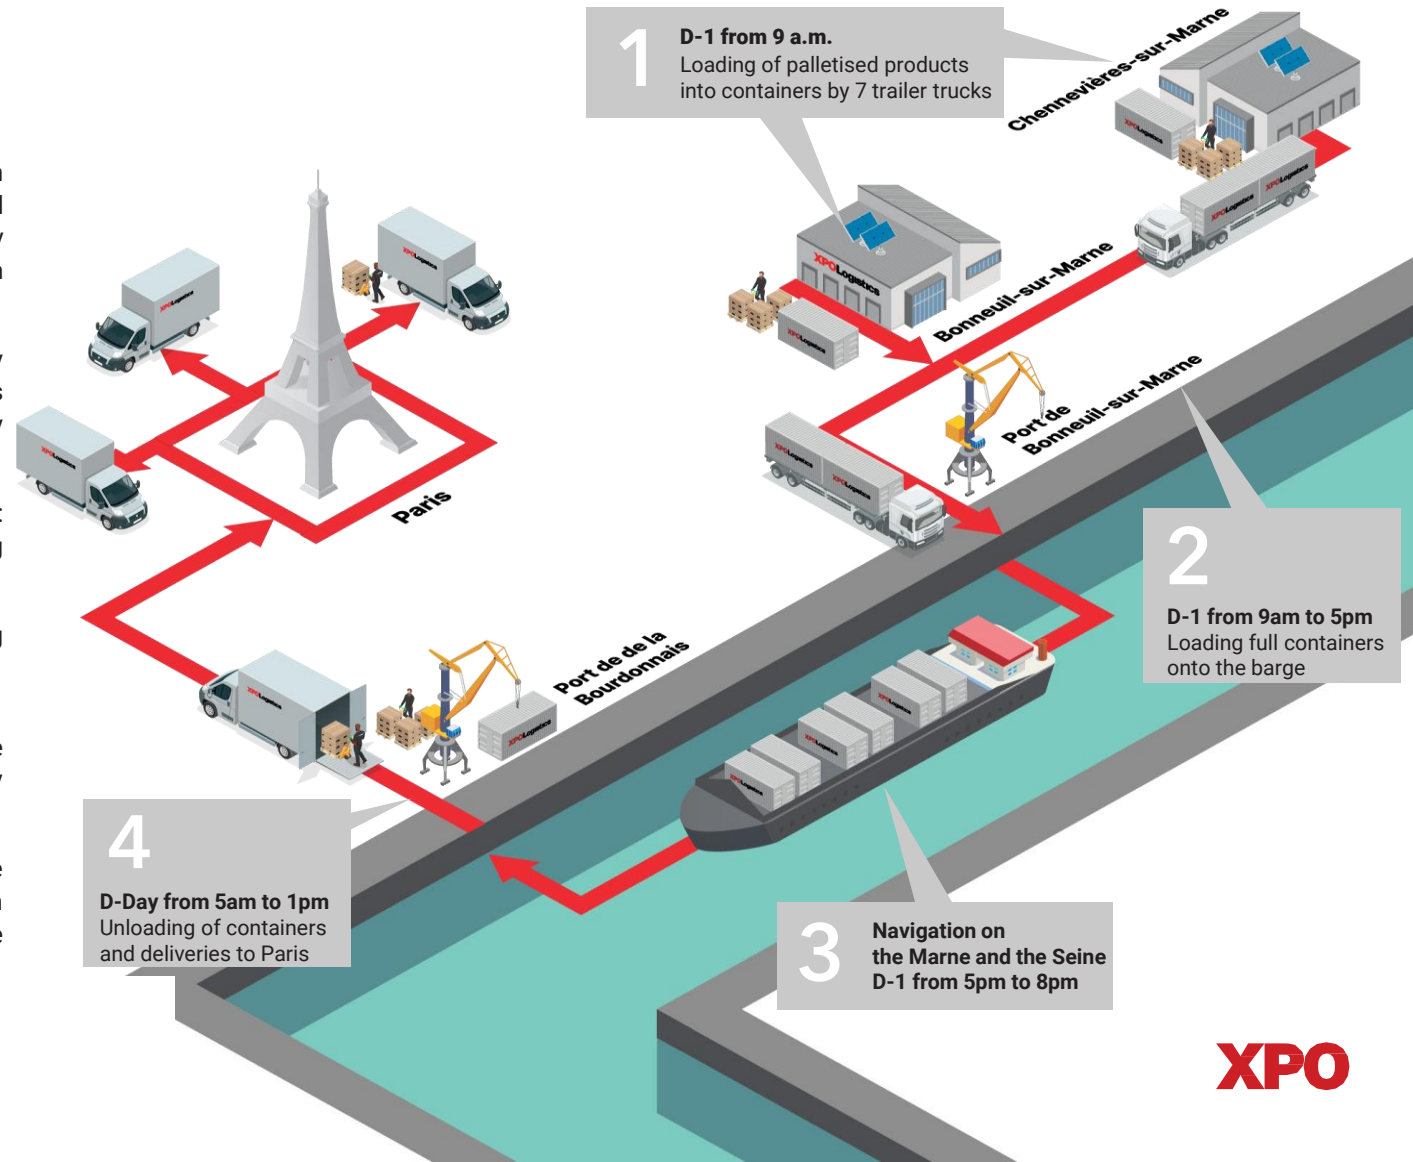

Loads: Monday to Friday

Deliveries: Monday to Friday

Launched in 2012, our river delivery solution enables 200 deliveries from Monday to Friday to around 130 shops, according to a precise timetable:

- D-2** ● Shops order their products.
- D-1** ●
 - **From 9am:** at the Franprix platform in Chennevières-sur-Marne, products are loaded into containers. They are then transported by trailer to the port of Bonneuil-sur-Marne, 15 km away.
 - **14:30-15:00:** arrival of the barge with empty containers, which are replaced by containers loaded with products. A stock of empty containers remains in the port of Bonneuil.
 - **4pm:** departure for the port of La Bourdonnais: 3-hour journey on the Seine (20km), passing through 2 locks at Créteil and St-Maurice.
 - **7pm:** arrival at Port de la Bourdonnais, mooring of the barge.
- D-Day** ●
 - **From 5.30am:** unloading of containers from the barge and loading onto trucks, followed by delivery to shops in Paris and the inner suburbs.
 - **Until 11.30am:** our vehicles return with the empty containers, some of which are stored in the port of La Bourdonnais, while the rest are loaded onto the barge.
 - **11.30am:** departure of the barge for Bonneuil-sur-Marne.
